25. PROTECTION OF MORTGAGEE. During the existence of any mortgage of this Lease, to which the City has consented in writing, the City will not terminate this Lease because of any default by Lessee if, within a period of 30 days after the City has mailed written notice to the mortgagee of intention to terminate this Lease at the last known address thereof, such mortgagee shall either cure such default or, if the same cannot be cured by the payment of money, shall undertake in writing to perform all the terms of this Lease until this Lease is sold upon foreclosure. Upon such undertaking, the City will not terminate this Lease within such further time as may be required by the mortgagee to complete the foreclosure process provided that such process is pursued and completed diligently. Ownership by the same person of both the fee and leasehold estates in the Property shall not effect the merger thereof without the prior written consent of any mortgagee to such merger.

7. Breach of Covenant. Lessee's breach of any covenant, warranty, promise or representation herein contained and the continuance of such breach for a period of thirty days after written notice to Lessee; or

8. Misrepresentation. Any material representation or warranty of Lessee contained herein or any material representation to City concerning the financial condition or credit standing of either Lessee or any party ("Guarantor") obligated to City under any agreement guaranteeing performance of any of the obligations of Lessee referred to herein proves to be false or misleading, or City reasonably determines that its position as City is threatened by reason of a material adverse change in the financial condition or credit standing of either Lessee or of any Guarantor.

27. REMEDIES.

1. Interest and Late Payment Charge. If Lessee shall be delinquent in payment of the rent or the payment of any other charge required to be paid by Lessee under this Lease, Lessee shall pay, with each overdue payment, interest on the overdue payment at the rate of twelve percent (12%) per year. In addition to interest, Lessee shall also pay to City a late fee equal to five percent (5%) of the overdue payment to cover City's administration costs of processing such overdue payment.

2. Remedies Upon Default. Upon occurrence of any event of default, City may exercise any of the following remedies:

3. Exercising City's Remedies. Upon City exercising any of its above-listed remedies, Lessee agrees to the following:

a. Removal of Persons and Property. If City reenters the Property, it may remove all persons from the Property by any lawful means available. City may also remove all property of Lessee from the Property, and may enforce its right against that property, or may store the property at the expense of Lessee, or may dispose of the property if Lessee does not reclaim the property within 30 days after City has re-entered the Property.

b. No Termination. City's re-entry into the Property or its action to obtain possession of the Property shall not be deemed to constitute a termination of this Lease Agreement, or a termination of Lessee's obligation to pay rent or any other charge required to be paid by Lessee under this Lease Agreement, or a termination of any other liability of Lessee under this Lease Agreement including but not limited to Lessee's liability for damages.

c. Reletting. If City elects to relet the Property to a replacement Lessee, with or without terminating this Lease Agreement, City may enter into an agreement with the replacement Lessee for such rent and on such terms as City in its sole discretion deems appropriate. City may repair or alter the Property to suit the purposes of the replacement Lessee or to enable City to relet the Property or any portion of the Property.

d. Application of Rent. City shall apply the rent and other payments received from the replacement Lessee, in the following order and priority: (1) to the costs incurred by City to recover possession of the Property, including but not limited to reasonable attorney's fees and costs; (2) to the costs incurred by City to relet the Property, including but not limited to the costs of repairs and alterations, and broker's commissions; (3) to the unpaid rent and other payments required to be paid by Lessee under this Lease Agreement. If there shall be a surplus, City may retain such surplus to pay subsequent amounts which become due and payable by Lessee under this Lease Agreement, and if there shall be any surplus at the expiration of this Lease Agreement, City shall pay such surplus to Lessee at the expiration of this Lease Agreement. If there shall be any deficiency between the rent and payments received from the replacement Lessee and the amount required to pay the items described in subparagraphs (1), (2), and (3) of this paragraph, Lessee shall be liable to City for such deficiency.

e. Legal Action. City may initiate legal action against Lessee at any time to recover amounts owed to City under this Lease Agreement, even though such action is initiated prior to termination of this Lease Agreement or prior to a final determination of amounts owed to City by Lessee. Initiating an action pursuant to this provision shall not be deemed a termination of this Lease Agreement and shall not preclude City from initiating subsequent actions against Lessee to recover any amounts due from Lessee.

f. Additional Remedies. If City terminates this Lease Agreement, then in addition to any other remedy available to City, City may recover from Lessee either (1) all damage sustained by City as a result of Lessee's default, and (2) the amount by which the total rent and other amounts payable for the remainder of the term of this Lease Agreement exceed the rent that City can be expected to receive for the Property for such period, together with the costs of recovering possession of the Property, the anticipated costs of reletting the Property, and reasonable attorney's fees and costs incurred by City.

g. Remedies Cumulative. The remedies available to the City are cumulative and not exclusive, and the exercise of any remedy by City shall not preclude its exercise of any other available remedies.

h. Costs and Attorney's Fees. City shall be entitled to recover from Lessee all costs incurred by City in enforcing any provision of this Lease which Lessee is required to comply with, including but not limited to reasonable attorney's fees and costs.

28. SURRENDER: HOLDING OVER.

1. Surrender. Upon expiration or earlier termination of this Lease Agreement, Lessee shall immediately vacate and surrender the Property to City, together with all improvements, additions and fixtures then on the Property, whether installed by City or by Lessee, including any air conditioning units or

systems, all in good condition, ordinary wear and tear excepted; provided that City, at its option, may require Lessee to remove any or all improvements, additions and fixtures installed by Lessee in the Property, in which event Lessee shall do so and shall restore the Property to its original condition at the commencement of this Lease Agreement within seven days following the expiration or earlier termination of this Lease Agreement. Lessee shall remove all of its personal property before surrendering the Property and shall repair any damage to the Property caused thereby. Lessee's obligation to observe or perform this covenant shall survive the expiration or other termination of the term of this Lease Agreement. Personal property is defined as inventory, operating equipment or other property not affixed to the Property.

2. Failure to Restore. If Lessee fails to complete the removal and the restoration in the manner and within the time specified, City may complete such removal and restoration in which event Lessee shall be liable to City for all costs incurred by City which amount shall be immediately due and payable after notice to Lessee by City of the amount due.

3. Holding Over. If Lessee remains in possession of the Property after the expiration or earlier termination of this Lease Agreement without the consent of City, Lessee shall be liable (1) for two times the fair market rent for the premises, determined as of the expiration or earlier termination of this Lease Agreement, (2) for all other charges payable by Lessee pursuant to other provisions of this Lease Agreement, and (3) for all other damages City may sustain as a result of such wrongful holdover. Acceptance of rent or other payments by City from Lessee during any holdover period shall not be deemed to create a new tenancy in favor of Lessee, but to the contrary, City may initiate action against Lessee at any time to recover possession of the Property, and to recover all damages sustained by City as a result of Lessee's wrongful holdover. Fair market rent shall be determined by the City's appraiser, who shall follow generally accepted appraisal standards in making the rent determination. The City shall inform the Lessee in writing of the increased rent due during any holdover period.

29. DISSOLUTION OF LESSEE. In the event of the corporate dissolution of Lessee, the City may terminate this Lease.

30. HAZARDOUS SUBSTANCES. Lessee shall not cause, permit, or allow the storage, use, escape, disposal or release of any hazardous substances or materials in or about the Property by Lessee, Lessee's agents, employees, contractors, invitees or licensees, except in full compliance with all hazardous materials laws. Hazardous substances and materials shall include those described in the Hazardous Materials Laws. "Hazardous Materials Laws" shall include, but not be limited to, the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 et seq., the Resource Conservation and Recovery Act, as amended, 42 USC Section 6901 et seq., the Hazardous Materials Transportation Act, the Clean Water Act, the Clean Air Act, the Toxic Substances Control Act and the Safe Drinking Water Act, the Hawaii Environmental Response Law, Hawaii Revised Statutes Chapter 128D, as well as any similar state and local laws and ordinances and regulations now or hereafter adopted, published and/or promulgated pursuant thereto as the same may be amended from time to time. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any storage, presence or release of hazardous substances or materials, then the reasonable costs thereof shall be reimbursed by Lessee to the City upon demand as additional charges if such requirement applies to the Property. In addition, Lessee shall execute affidavits, representations and the like from time to time at the City's request concerning Lessee's best knowledge and belief regarding the presence of hazardous substances or materials on the Property. In all events, Lessee shall defend, indemnify and hold harmless the City, its employees, agents, successors and assigns from and against any claims, demands, actions, lawsuits, proceedings, losses, damages, liabilities, fines, penalties, judgments, awards, costs and expenses directly or indirectly arising out of or attributable to the use, generation, manufacture, treatment, handling, refining, production, processing, storage, release, threatened release, discharge, disposal, removal or presence of hazardous substances or materials on or under or about the Property by Lessee or attributable to Lessee including, but not limited to any damages, the cost of clean up or detoxification of the Property and the preparation and implementation of any closure or remedial or other required plans and all reasonable costs and expenses incurred by the City in connection with such items including, but not limited to, attorneys' fees and costs. The foregoing covenants shall survive the expiration or earlier termination of this Lease.

31. ADA COMPLIANCE. As between the City and Lessee, Lessee shall be responsible for ensuring that the Property, all alterations and improvements in the Property, and Lessee's use and occupancy of the Property complies with the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. 12181, *et seq.*), and all regulations promulgated thereunder, and all amendments, revisions or modifications thereto now or hereafter adopted or in effect therewith (the "ADA"). However, Lessee shall not make any such alterations or improvements except in accordance with the provisions of Sections 11 and 16.

32. SEXUAL HARASSMENT POLICY FOR EMPLOYER HAVING A CONTRACT WITH THE CITY. All entities having a contract with the City (referred to in this Section as a "Contractor") must comply with City Ordinance 93-84 on sexual harassment. All Contractors shall have and enforce a policy prohibiting sexual harassment. The Contractor's sexual harassment policy must set forth the same or greater protection than those contained or required by the ordinance. The ordinance is applicable to the Contractor's business and includes the following:

- a. Prohibitions against an officer's or employee's sexual harassment of the following:
 - (1) Another officer or employee of the employer;
 - (2) An individual under consideration for employment with the employer; or
 - (3) An individual doing business with the employer;
- b. A provision prohibiting a management or supervisory officer or employee from knowingly permitting a subordinate officer or employee to engage in the sexual harassment prohibited under Subdivision a of the ordinance;
- c. A prohibition against retaliation towards an officer, employee, or individual who has complained of sexual harassment, conducted an investigation of a complaint, or acted as a witness during an investigation of a complaint;
- d. A prohibition against a malicious false complaint of sexual harassment by an officer, employee, or individual;
- e. Provisions allowing an officer, employee, or individual to make a sexual harassment complaint to an appropriate management, supervisory, or personnel officer or employee;
- f. Procedures for investigating a sexual harassment complaint in an unbiased, fair, and discreet manner with appropriate safeguards to maintain confidentiality and protection from embarrassment;
- g. A provision requiring the use of the "reasonable person of the same gender standard," to determine if sexual harassment has occurred. Under the standard, sexual harassment shall be deemed to have occurred if the alleged offender's conduct would be considered sexual harassment from the perspective of a reasonable person of the same gender as the alleged victim. If the alleged victim is a woman, the "reasonable person of the same gender standard" shall be equivalent to and may be called the "reasonable woman standard;"
- h. Disciplinary action which may be imposed on an officer or employee who committed a prohibited act; and
- i. For a Contractor with at least five (5) employees, a provision requiring the annual viewing of a video on the sexual harassment policy by each management or supervisory officer or employee.

The policy required under this section shall be in effect for at least the duration of the Contractor's contract with the City. The action of the bidder or proposer in submitting its bid, proposal or signing of the contract shall constitute its pledge and acceptance of the provisions for the sexual harassment policy as required by City Ordinance 93-84. City Ordinance 93-84 is on file and available for viewing in the Purchasing Division.

Contractors needing a copy must pick up the copy from the Office of the City Clerk, Room 203, City Hall, 530 South King Street, Honolulu, Hawaii, 96813.

33. MISCELLANEOUS PROVISIONS

Lessee further represents and warrants that there are no restrictions, agreements, or limitations on its right or ability to enter into and perform the terms of this Agreement.

D. Binding Effect. Upon its execution by each party, this Agreement shall become binding and enforceable according to its provisions. If more than one party is obligated to perform an act by any provisions stated in this Agreement, those parties shall be jointly and severally liable and obligated for the performance of those acts. E. City's Right to Amend. Any provision herein to the contrary notwithstanding, during the term of this Agreement, the City reserves the right, at any time, to amend this Agreement in order to assure compliance with all HUD, City and County of Honolulu, State of Hawaii and other federal statutes, laws and regulations. All such amendments shall be within the general scope of this Agreement. The City shall provide all such amendments in writing to the Lessee. The Lessee agrees that it shall immediately take any and all reasonable steps to comply with such amendments.

F. Consent: Subsequent Agreement. If a subsequent consent required of any party by the provisions of this Agreement is requested by a party, it shall not be unreasonably withheld by the party to whom the request is made.

G. Construction. Each party named in this Agreement acknowledges and agrees that (i) each party is of equal bargaining strength; (ii) each party has actively participated in the negotiation and preparation of this Agreement; (iii) each party has consulted with their respective legal counsel and other professional advisors as each party has deemed appropriate; (iv) each party and the party's legal counsel and advisors have reviewed this Agreement; and (v) each party has agreed to be bound by the terms stated in this Agreement following its review and obtaining advice.

H. Counterparts. This Agreement may be executed by the parties in counterparts. The counterparts executed by the parties named in this Agreement and properly acknowledged, if necessary, taken together, shall constitute a single Agreement.

I. Dates. If any dates stated in this Agreement fall on a Saturday, Sunday, or legal holiday, such date shall be the next following business day.

J. Defined Terms. Certain terms where they initially are used in this Agreement are set off by quotation marks enclosed in parentheses and are subsequently capitalized. Those designated terms shall have the same meaning throughout this Agreement, unless otherwise specifically stated or clearly inappropriate in the context.

K. Force Majeure. If any party is prevented from performing its obligations stated in this Agreement by any event not within the reasonable control of that party, including, but not limited to an act of God, public enemy, or war, fire, an act or failure to act of a government entity (except on the part of the

City), unavailability of materials, or actions by or against labor unions, it shall not be in default in the performance of its obligations stated in this Agreement. PROVIDED, HOWEVER, any party delayed by such an event shall request an extension of time to perform its obligations stated in this Agreement by notifying the party to which it is obligated within ten days following the event. If the notified party agrees that the event was the cause of the delay, the time to perform the obligations stated in this Agreement shall be extended by the number of days of delay caused by the event. If the required notice is not given by the delayed party, no time extension shall be granted.

L. Gender: Number. In this Agreement, the use of any gender shall include all genders and the use of any number in reference to nouns and pronouns shall include the singular or plural, as the context dictates.

M. Independent Contractor/Non-Agency. The parties acknowledge that Lessee is an independent contractor, and neither party hereto is a partner, agent and/or employee of the other.

N. Integration. This Agreement contains all of the provisions of the agreement between the parties pertaining to the subject matter stated in this Agreement. Each party acknowledges that no person or entity made any oral or written representations on which a party has relied as a basis to enter into the agreement stated in this Agreement which is not included as a provision in it.

O. Legal Action and Fees. In the event of any controversy, claim or dispute between the parties hereto arising out of or relating to this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party its reasonable expenses, including attorneys' fees and costs.

P. No Drafter. No party shall be deemed to have drafted this Agreement. No provision stated in this Agreement shall be construed against any party as its drafter.

Q. No Offer. The provisions stated in this Agreement shall not bind any party until each party has executed it. The mere delivery of this Agreement is not an offer.

R. No Obligations to Third Parties. Unless there is a provision stated in this Agreement to the contrary, the execution and delivery of this Agreement shall not confer rights on any person or entity except the parties or obligate the party to any person or entity except another party.

S. No Waiver. No consent or waiver, expressed or implied, by either party to or of any breach or default by the other party in the performance of its obligations hereunder, shall be valid unless in writing. No such consent or waiver shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other party of any other obligations of such party hereunder. The failure of any party to declare the other party in default shall not constitute a waiver by such party of its rights hereunder, irrespective of how long such failure continues.

T. Notice. Any notice required or permitted by the provisions of this Agreement to be given by a party to any other party, shall be written and either shall be delivered personally or mailed postage prepaid by certified mail, return receipt requested, to each other party at the address and to the person designated below. No other method of notice shall be effective.

CDBG Management Agreement
Management and Monitoring Requirements
CDBG-Assisted Public Facility

Lessee Name: Waianae Coast Comprehensive Health Center, Inc.

Facility Name: 1816-A Alewa Drive, Honolulu, Hawaii 96817

A. The following facility-specific variable requirements are binding upon Lessee:

1. National Objective. The CDBG national objective of this facility is: to benefit a low- and moderate- income clientele, to which end the facility shall be used exclusively as a respite program (both day and evening components) that meets the needs of persons with Alzheimer's disease and their caregivers.
2. National Objective Period. The facility shall be used to achieve its CDBG national objective throughout the term of the lease.
3. Wholly Compliant. One hundred percent (100%) of the usable area of the facility shall be used to achieve the National Objective. This percentage must be 100 percent unless otherwise specified by the City.
4. Achievement and Documentation of National Objective. The Lessee shall achieve and document the low- and moderate-income status of its beneficiaries in the following manner:

_____ Serve and document that it is serving all residents of a specific geographical area that has been determined by the City and County of Honolulu to be a low- and moderate-income area, i.e., a residential area in which predominately low- and moderate-income households reside.

_____ Serve and document that it is serving *exclusively* one or more of the following groups: abused children, battered spouses, elderly persons, *adults* meeting the Bureau of the Census' Current Population Reports definition of "severely disabled," homeless persons, illiterate adults, persons living with AIDS, or migrant farm workers.

_____ The facility has been determined by the City and County of Honolulu to be of such nature and be in such location that leads to

the conclusion that the Facility's clientele will primarily be low and moderate income persons.

 X The facility shall obtain and keep records of information on family size and income from its clients such that it is evident that *at least 51 percent* of the clientele are persons whose family income does not exceed 80 percent of the median income for Honolulu.

 The facility will impose income eligibility requirements which limit the activity *exclusively* to low and moderate income persons.

5. If applicable, the Lessee selects the following definition of income:

 "Annual income" as defined under the Section 8 Housing Assistance Payments program at 24 CFR 813.106

 Annual income as reported under the Census long-form for the most recent available decennial Census.

 Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 for individual Federal annual income tax purposes.

B. The following general CDBG requirements are binding upon all Lessees:

1. The entire facility must achieve the facility's CDBG national objective, even if the facility is only partially funded with CDBG. Any exceptions to this general rule would be under 570.200(b)(1), and require case-by-case review and approval.

(24 CFR 570.200(a))

2. Fair housing, equal opportunity, and affirmative marketing.

a. The facility must comply with federal affirmative marketing, equal opportunity, and fair housing law. It may not be operated so as "to deny or affect adversely in a significantly disparate way the provision of employment or services, benefits or participation to persons of a particular race, color, religion where applicable, sex, national origin, age or handicap, or fair housing to persons of a particular race, color, religion, sex, or national origin...." It may not be operated so as to deny services to a person on the basis of familial status (persons with children under 18 years of age, including pregnant women), age, or disability.

(24 CFR, Parts 570.506(g),
570.601, 570.602, 570.904,
570.905, 24 CFR 100.60(a))

- b. The facility must maintain and file the following information with the City:
 - i. An affirmative marketing plan, HUD form 935.2. The affirmative marketing plan should describe how the facility will publicize its services. The plan should be such that a monitor could reasonably conclude that the non-profit had thought about its CDBG national objective, its target group or area, impediments to reaching its target group or area, and concrete steps to overcome impediments to reaching out its target group or area.
 - ii. HUD form 27061 - Race and Ethnic Data Reporting.
 - iii. The number of households headed by single females and the number of households headed by single males.
- c. The facility must actively and affirmatively market its services. It may not refrain from marketing activities.
- d. The facility must identify and reach out to the persons who are least likely to apply. For example, to reach a population that has no or limited proficiency in the English language, the nonprofit could:
 - i. Translate its marketing material to serve this population,
 - ii. Work with the language minority-owned print media, radio and television stations,
 - iii. Place marketing material at movie theaters that provide for free public service announcements,
 - iv. Partner with faith-based and community organizations that serve newly arrived immigrants, and
 - v. Conduct marketing activities at adult-education training centers or during "English as a Second Language" classes.
- e. A public facility that serves a special needs population, e.g., persons who are homeless, disabled, elderly, or who suffer from HIV/AIDS, must comply with all affirmative marketing, fair housing, and equal opportunity regulations. To affirmatively market its services:

- i. The nonprofit shall make a good faith effort to inform and solicit applications from all members of its special needs group, not just to certain members.
 - ii. The nonprofit shall not depend on referrals from a single source, such as a single social service agency, or from one physician, or one hospital.
- f. A public facility or nonprofit that contains the name of a race, ethnicity, or nation has an impediment that discourages persons outside of those races, ethnicities, or national origins from applying for services at this facility.
 - i. The marketing and publicity efforts of such a facility shall inform its target group or target area that it is not for the exclusive use of the race, ethnicity, or nation after which it is named, and that all are welcome.
 - ii. Such a facility shall not confine itself to advertising in ethnic newspapers or ethnic radio stations
 - iii. Because its name constitutes a kind of negative marketing, it does not suffice for that facility to make no marketing efforts: an ethnically named facility or nonprofit shall actively seek out participants who are outside of its own ethnicity.
 - iv. A monitor should be able to review the affirmative plan of an ethnically-named facility or nonprofit, review the activities taken to implement the plan and reasonably conclude that the facility had considered and made a good-faith effort to reach out to the community at large, and not exclusively or predominately to any particular group.
- g. National origin discrimination: A public facility shall not favor persons of a particular national origin, whether American born, naturalized, resident aliens, or nationals (24 CFR 570.602). Section 13 of the Equal Employment Opportunity Commission Compliance Manual defines discrimination based on national origin as follows.
 - i. "National origin discrimination includes discrimination because a person (or his or her ancestors) comes from a particular place...for example, Colombia or Serbia. In some cases, the place has never been a country, but is closely associated with a group of people who share a common

language, culture, ancestry, and/or other similar social characteristics, for example, Kurdistan.”

- ii. "National origin discrimination also includes discrimination against anyone who does *not* belong to a particular ethnic group, for example, less favorable treatment of anyone who is not Hispanic.”
3. If the facility is charged with benefiting low-mod persons, then it shall *directly* benefit low-mod persons. Personnel in the facility must actually provide services to low mod persons in the facility itself, and they cannot be solely or predominately administrative or support for the staff that actually provide the services at a different location.
(24 CFR 570.208(a))
4. The facility “shall be operated so as to be open for use by the general public during all normal hours of operation.”
(24 CFR 570.201(c))
5. “Reasonable fees may be charged for the use of the facilities assisted with CDBG funds, but charges such as excessive membership fees, which will have the effect of precluding low and moderate income persons from using the facilities, are not permitted.”
(24 CFR 570.200(b)(2))
6. “Organizations that are directly funded under the CDBG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.”
(24 CFR 570.200(j)(2))
7. “An organization that participates in the CDBG program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.”
(24 CFR 570.200(j)(4))
8. No part of the facility shall be used for an activity that may be construed as “the general conduct of government.”
(24 CFR 570.207(a)(1))
9. No part of the facility shall be used “for political purposes or to engage in other partisan political activities, such as candidate forums, voter

transportation, or voter registration. However, a facility originally assisted with CDBG funds may be used on an incidental basis to hold political meetings, candidate forums, or voter registration campaigns, provided that all parties and organizations have access to the facility on an equal basis, and are assessed equal rent or use charges, if any.”

(24 CFR 570.207(a)(3))

10. If the facility is newly constructed, it shall not be used for housing.

(24 CFR 570.207(b)(3))

11. The facility must be accessible to disabled persons.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered and provide emergency egress so as to be readily accessible to and usable by individuals with disabilities. The definitions, requirements, and accessibility standards that apply to buildings covered by this section are those contained in the UFAS, except where the ADAAG provides for greater accessibility for the type of construction or alteration being undertaken, and in this case, the definitions, requirements and standards of the ADAAG shall apply.

(24 CFR 9.151)

12. Program Income

- a. Rental income from permanent tenants or occasional users of the Facility is CDBG program income. Program income is defined in the CDBG program regulation. Program income includes “Gross income from the use or rental of real property that is acquired, constructed, or rehabilitated by a subrecipient with CDBG funds, less costs incidental to generation of the income.” CDBG program income is subject to all CDBG regulations pertaining to the use of CDBG funds. Subrecipients may not retain program income, especially to use on expenses that are not eligible CDBG activities.

(24 CFR 570.500(a)(1))

- b. Gross program income in facilities that are only partially funded with CDBG must be prorated. For example, if the facility is 50% CDBG-assisted, then 50% of the gross income is CDBG program income.
- c. Program income does *not* include contract or grant income, contributions from 3rd parties made to support the nonprofit facility operator, and/or interest or investment income received from non-CDBG funds.

- d. Program income does *not* include the fees that the facility charges to its clients for the services that it provides in the Facility. For example, if a YMCA charges program fees for clients to participate in programs in its facility, those program fees are not program income.
- e. “Costs incidental to the generation of income” are defined as “monthly expenses relating to the maintenance and operation of the building.” Subrecipients can use tenant rental income to pay for the tenants’ prorated share of building maintenance costs.
(Memo dated 3/12/1990, available at <http://www.hud.gov/offices/cpd/communitydevelopment/rulesandregs/memoranda/dekalb90.cfm>)
- f. Examples of costs incidental to the generation of income are:
 - janitorial supplies
 - utilities
 - insurance
 - maintenance
 - management fees
 - cost of security
 - salaries of persons that maintain, manage, or secure the facility
- g. The salaries of persons that are incidental to generation of program fees, grants, and government contracts are not costs incidental to the generation of income.
- h. The Lessee shall calculate program income due to the City annually after the close of the facility’s fiscal year. The City will reconcile the statement of program income due with the organization’s audit.
- i. An example of a program income calculation in a CDBG-assisted public facility is shown below:

13. The facility must benefit low- and moderate-income persons pursuant to 24 CFR 570.208(a)(2)(i)(A - D)), as prescribed in its lease with the City:

A public facility that is charged with benefiting a specific low- and moderate-income clientele must serve only that clientele: it may not make its services available to all residents of an area or Oahu's entire population.

(24 CFR 570.208(a)(2))

A public facility that is charged with serving a particular residential area, designated in its lease, where at least 51 percent of the residents are low and moderate income persons, must make its services available to all the residents of that area.

(24 CFR 570.208(a)(1)(i))

A public facility that is charged with serving a limited clientele who are *presumed* to be of low- and moderate-income must serve only those clients. The following is an inclusive list of presumed low-mod persons. Only the persons on this list are presumed to be of low- and moderate-income.

- abused children
- battered spouses
- elderly persons
- adults meeting the Bureau of the Census' Current Population Reports definition of "severely disabled,"
- homeless persons
- illiterate adults
- persons living with AIDS
- migrant farm workers

The facility may be of such nature and be in such location that leads to the conclusion that the facility's clientele will primarily be low and moderate income persons.

A facility that is required to obtain information on family size and income may obtain such information from enough of its clients so that it is evident that *at least 51 percent* of the clientele are persons whose family income does not exceed the low and moderate income limit.

A facility that imposes income eligibility requirements which limit the activity *exclusively* to low and moderate income persons shall serve exclusively low and moderate income persons.

If the facility is certifying incomes of its clients, then it must do so using (i) the definitions of income and (ii) the method of certifying incomes prescribed in 570.3 "Income."

This 570.3 definition currently reads as follows:

Income. For the purpose of determining whether a family or household is low- and moderate-income under subpart C

of this part, grantees may select any of the three definitions listed below for each activity, except that integrally related activities of the same type and qualifying under the same paragraph of Sec. 570.208(a) shall use the same definition of income. The option to choose a definition does not apply to activities that qualify under Sec. 570.208(a)(1) (Area benefit activities), except when the recipient carries out a survey under Sec. 570.208(a)(1)(vi). Activities qualifying under Sec. 570.208(a)(1) generally must use the area income data supplied to recipients by HUD.

The three definitions are as follows:

- (1) (i) "Annual income" as defined under the Section 8 Housing Assistance Payments program at 24 CFR 813.106 (except that if the CDBG assistance being provided is homeowner rehabilitation under Sec. 570.202, the value of the homeowner's primary residence may be excluded from any calculation of Net Family Assets); or
- (ii) Annual income as reported under the Census long-form for the most recent available decennial Census. This definition includes:
 - (A) Wages, salaries, tips, commissions, etc.;
 - (B) Self-employment income from own nonfarm business, including proprietorships and partnerships;
 - (C) Farm self-employment income;
 - (D) Interest, dividends, net rental income, or income from estates or trusts;
 - (E) Social Security or railroad retirement;
 - (F) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;

- (G) Retirement, survivor, or disability pensions; and
- (H) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or
- (iii) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 for individual Federal annual income tax purposes.
- (2) Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable). Estimated annual income shall include income from all family or household members, as applicable. Income or asset enhancement derived from the CDBG-assisted activity shall not be considered in calculating estimated annual income.

If the facility uses the IRS Form 1040 definition of income:

- The facility must use IRS Form 1040, not 1040EZ.
- The facility may use tax returns as proof of income.
- Documentation of income is good for 12 months.
